INCREDIBLE SERIES 1 + SERIES 2 FEATURES

The new TrackMaster Series 1 and Series 2 with an all-aluminum chassis and sleeker design weighting in around 300 lbs. is more efficient, sporty, and manageable traveling throughout uneven terrain. Both Series can be fitted with a wide range of seating and positioning options. At under 29" wide the Series 1 will fit through a standard doorway and into commonly known spaces for powered mobility. For the EXTREME, the Series 2 under 33" wide has a solid footprint for stability to maximize your comfort and experience.
